**2Tim.3:16-17 TPT** translation V-16...Every scripture has been inspired by the Holy Spirit, the breath of God .It will empower you by its instruction and correction, giving you the strength to take the right direction and lead you deeper into the path of godliness. V- 17...Then you will be God's servant fully mature and perfectly prepared to fulfill any assignment God gives you. We go to school, from kindergarten to the twelfth grade. Only if we study what's in our textbooks and listen to the instruction given by our teachers will we learn and, pass the grade so, when we reach the senior year of grade twelve, we will graduate. We are then prepared and equipped to

seek out work or for more learning, a college degree for whatever vocation we choose to excel in. A doctor doesn't go to the twelfth grade and start practicing to be a surgeon, if he did, first of all he wouldn't have a license to practice and if he did so without being equipped could kill someone and be charged with malpractice and man slaughter or worse. Just as in the natural we take care of our education, our spiritual education is taught by the Holy Spirit , the study of God's word , prayer and listening to the instruction of the Holy Spirit we grow and mature, then we will be prepared(equipped) to do the work he has called us to. The word is God breathed and alive; It teaches, inspires, encourages, and corrects, so when we mature, we have no excuse... A workman that needs not be ashamed, we will then know how to rightly divide the word of truth.

Then, we can walk in the purpose and plan he has for us.
